

2003 Pollution Prevention Planning Workshops

Learn How To:

- Use Ecology's NEW electronic reporting form!
- Develop and implement Pollution Prevention Plans and save money!
- Prepare your Plan, 5-year Update, or Annual Progress Report due September 1.

**June 4th or June 5th
La Quinta Inn (253) 529-4000
32124 25th Ave South; Federal Way, WA
9:00 AM - 4:30 PM**

The workshop this year is intended to provide a working knowledge of the new electronic reporting features in our updated pollution prevention guidance and forms.

Feel free to bring your prior pollution prevention plans, facility information, and a laptop to begin working on your new or updated P2 plans. **Lunch will be provided!**

For more information call Sharon Huff at (360) 407-6340.

To register, send this form to us by **May 30, 2003**.

Fax: 360-704-6305
